Hi Lis,

Sorry for the hassle on this, I know this process has already been a tedious one. Could we get the parental involvement resolution to be a joint resolution instead of a senate resolution? We'd be ready for it to be jacketed once it is.

Thanks for all of your help!

Hi Cassie,
I found a similar governor's proclamation from last year, and I think we can use many of the same whereas clauses that it used.

I think just a Senate resolution would be fine. As far as background for whereas clauses, a constituent who is a part of the group All Parents on Deck came to us and thought this was a good idea so we drafted it for her. That's about it. Can we keep it that short?

Hi Cassie,

Regarding turning 1707/1 into a resolution, would you like this to be a joint resolution or a senate resolution?

Also, we will need to fill in some "Whereas" clauses, which typically provide some background on the significance of the issue. I can send you an example if you like.
